In 1993, she moved to Sarasota, Florida and opened the Center for Traditional Chinese Medicine. After much of her life she pursued and continually expanded her knowledge of the Asian arts, culture, acupuncture and ancient herbal treatments. The collection has almost doubled over the period of over forty years, and in recent years much of her personal collection has been featured in collections of Asian Art in Sarasota, Florida. All items on sale are from Dr. Wall-Apelt’s personal collection, thus no additions from other sources. Of her knowledge of the Asian arts, culture, acupuncture and ancient herbal treatments. For much of the rest of her life she pursued and continually expanded her knowledge of the Asian arts, culture, acupuncture and ancient herbal treatments. The collection has almost doubled over the period of over forty years, and in recent years much of her personal collection has been featured in collections of Asian Art in Sarasota, Florida.
