Sold to Joe Andrews on August 11, 2001.
My Henry rifle, serial #9230, for \$13,000.
And 20-35 rounds of original 44 rimfire
ammunition, to be delivered to him in the
fall of this year.

The rifle was my great grandfather's
Albert H. Mann and has been in the family
since he purchased it in the late 1800's.
Best regards to you Joe. I'll look forward
to seeing you and the gun in the future.
