Subject: Letter of authorization releasing cased Colt 1860 Army Ser. # 161882 complete with all accessories to Mr. Dave Grunberg,.

I am giving permission to the Buffalo Bill Historical Center to release to Mr. Dave Grunberg my Colt 1860 Army Ser. # 161882. Mr. Grunberg delivered this antique to the museum for display in the Colt Legacy of a Legend when he brought his collection for display. I would like to give him permission to retrieve my item complete with all accessories when he arrives on Oct. 20 to retrieve his collection.

I hope this letter will be satisfactory to the museum giving them permission as described above.

Thank you.

Yours truly,

*Richard S. Kravarik*

PS. Mr. Grunberg will have a copy of this letter with him signed by me.
