Your Ithaca gun, serial number 330047, is listed in the old "special orders" shop journal as a 20-gauge grade 4 ejector gun with 26-inch fluid steel barrels. The name Swartz is recorded on the line with the gun and may have been the original owner. It was completed on July 24, 1920.

I have attached a photocopy of the journal entry.

Sincerely,

Walter C. Snyder
