Fwd: Belgium Browning 1 of 10 Auto V 20ga. Limited Addition B4

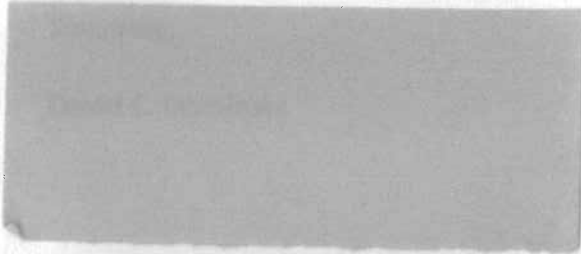

One of ten Limited Edition FN Browning Auto V 20 Ga. Light B4. This Extremely Limited shotgun is new, never assembled (removed only to photograph) It comes with a Browning Custom Shop hard case which is very attractive case for this great shotgun. Also included is all paperwork including the Custom Shop Letter of authenticity signed by the engraver. This Auto V 20. Ga. is Hand Engraved with the receiver being Grey Nitride which makes a stunning background for the well inked engraving.

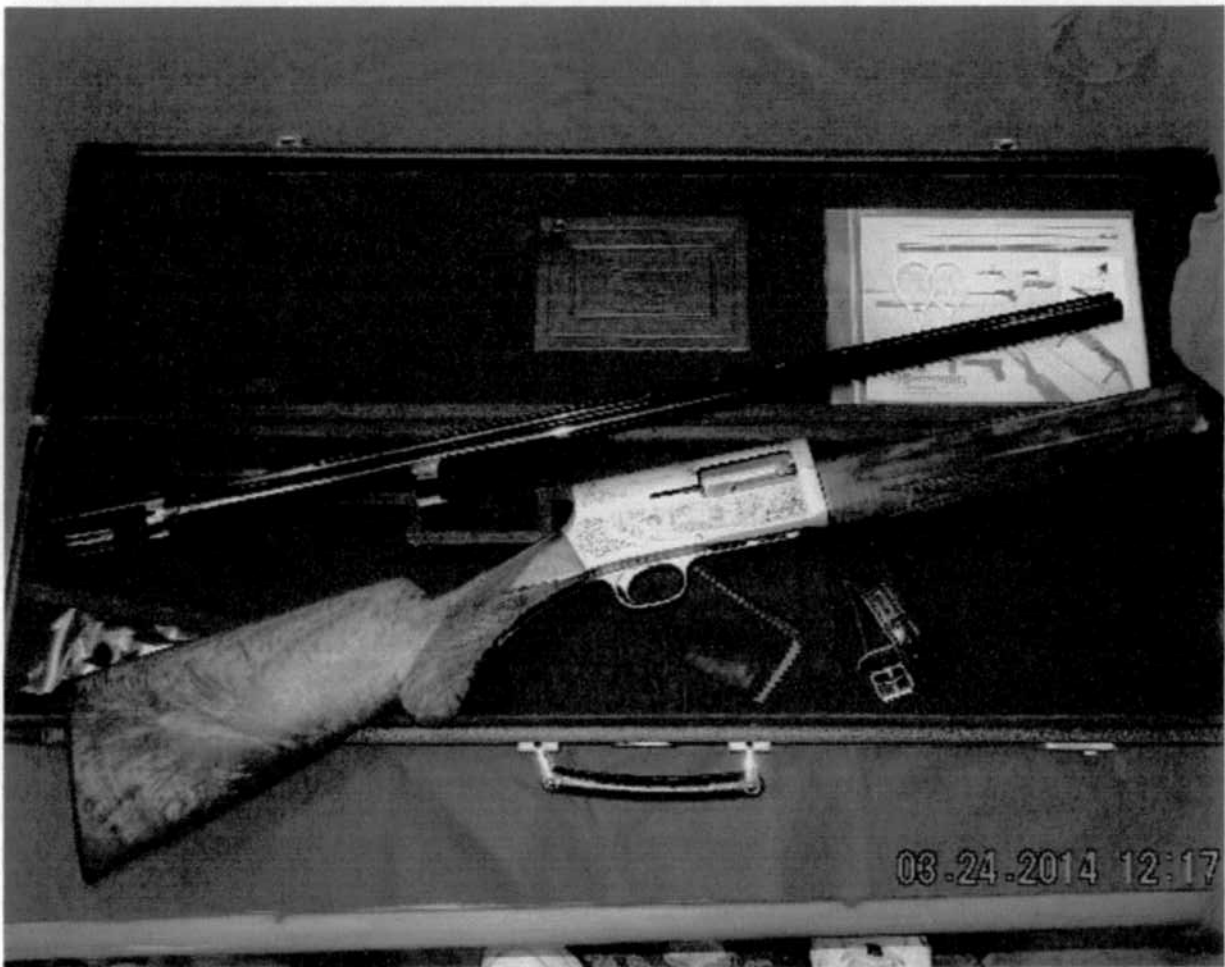

The right side of the receiver shows woodcock in flight in a woods scene with scroll engraving surrounding it, on the top right is " Made In Belgium". on the left side of the receiver is a scene of a covey of quail with numerous other quail in flight with scroll engraving bordering the scene, above this is " Original Auto V ".

The Wood is a High Grade Oil Finish with classic round knob, the barrel is 28 inch with fixed modified choke configuration with deep blueish black, polished to a fine lustre.

This is a extremely Rare FN Browning Auto V "Limited Addition B4" 20ga. shotgun out of the " Browning Custom Gun Shop in Belgium ". I have not set a price on this

shotgun due to its rarity and look forward to working with you to arrive at its true price.
