RE: GRULLA ROYAL Best SIDELOCK  
28ga. 27" IC/MOD

Larry Baer bought a Grulla Royal Barreled Action in the White in 1999. Mr. Baer custom engraved the gun in the Holland & Holland game scene style with deep carved fences.

Mr. Baer stocked the gun with extraordinary wood then checkered and finished it to perfection.

The 5lb. 11oz. bird gun is a delight to shoot and appears as new.

Current cost of a Grulla Royal exceeds \$15,000.00.

If I can provide further information please advise.
