It was a pleasure to meet you during the Las Vegas gun show. I was very pleased to have purchased the 6 bore Baker rifle and look forward to its arrival.

If you wish to send it collect, fine, or if by post your notification of postage cost, handling, etc. will prompt an immediate reimbursement. Enclosed you should find the \$2,500.00 balance.

Also any information concerning the rifle (8 bore?) we discussed would create another prompt response. Finally, on a separate letter form the history, providence, of the Baker rifle would greatly be appreciated at your convenience.

Thus thanking you in advance, I remain,

Respectfully,

CCS/dc
