Dear Sir,

Enclosed is a crude snapshot of a Colt New Line that I have.

The Serial No. is 6235 .22 Cal with DeGross "Horse Head" grips.

It is engraved and has most of the finish, there are a few small areas that the brass frame shows.

The gun is tight and mech/fine. As I do not collect these, I would give a proposal to purchase it some serious consideration.

Very Truly Yours,

Gerald Gutches

Dear Gerald:

I talked to Mr. Leon Jackson at Jackson Arms and he is to mail you a catalogue which might contain something that you would be interested in and we could work a trade. He is also sending a description of a couple of Kentucky's that are not listed in the catalogue.

Drop me a line after you have reviewed these and we will go from there.

Yours truly,

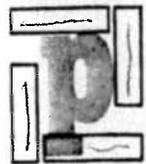

Robert G. Cox, M. D., P. A.

DEAR Bob,

HAVE HAD THE NEW LINE  
WITH THE DEGRESS GRIPS LONG  
ENOUGH, YOU KNOW HOW THAT  
GOES! RATHER THAN SELL IT,  
WHAT DO YOU HAVE IN THE WAY  
OF A NICE KENTUCKY FLINTLOCK  
THAT YOU WOULD TRADE?
