Dear Dr. Cox:

Thank you for your letter and check. We have gotten the Police & Thug revolver off to you and hope that it arrives without mishap.

53327
We have three guns in stock that may be of interest to you. One of these you may have seen when you were here, I am not sure. It is a Colt Old Line .22 Open Top, factory engraved with pearl grips. Metal shows about 95% or more original nickel plate everywhere except on cylinder. Cylinder is clean, aged metal but shows no more than traces of finish. Cylinder is engraved in a pattern matching the balance of the gun. Grips are plain pearl and are excellent. \$125.00

We have just recently gotten a pair of Moore 1st Model Deringers that are in excellent condition. Nickel plate on the frames of these is about 90% to 95% intact with sharp, unworn engraving. The barrel of each gun shows small traces of original blue and metal is all very smooth and sharp with excellent markings. We would call them excellent in condition. They are just 20 numbers apart in serials - 4563 and 4583 and apparently were used as a pair. We have priced them at \$300 for the pair, but if you would like to buy one, we will offer it at \$150.

We do not have any factory engraved New Lines at this time. Thank you for writing and if we may serve you let us know.

Sincerely,

L. C. Jackson

Dear Jackson's:

I received the Colt Old Line .22 Open Top, Serial No. 53327 - factory engraved - and the Colt Cloverleaf with British proofs, Serial No. 2191 - factory engraved by parcel post yesterday in good condition. I am well pleased with both guns and enclose a check for \$327.20.

Please let me know if you get any other engraved small Colts in.

Do you have other customers who also collect mostly these small Colts? I know of one man who is a customer of yours, a Mr. George S. Lewis, Jr., of Kansas City, who collects them and specializes in the Colt derringers. If there are others in this area, I would appreciate knowing; or if you do not feel that you can give me their names, then please drop them a note and give them my name.

Thank you for your courtesies.

Very truly yours,

Robert G. Cox, M. D.
