I was surprised to get an answer so soon - & that my letter was delivered. Usually the post office is not so obliging!

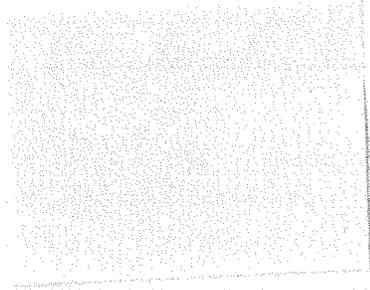

Enclosed is check for \$65.00 for the ^{engraved} open top 22. I assume I get the usual 3 day inspection privilege.

If you run across any engraved New Line, derringers or Rem-UMC pistols (Colts) let me know.

Yours truly
Robert G. Cox

Dear Sir:
