I am writing with regards to your recent enquiry regarding the history of your Holland & Holland .30 'Royal' Double Rifle serial N° 30494 and the pair of 12 Bore 'Royal' Ejector Self Opening Shotguns serial numbers 32911 & 32912.

Having researched our records we are pleased to be able to confirm the attached details. I have also enclosed a copy of the original entry from our history books.

I hope that you find this information of interest.

Yours sincerely
