12th May, 1966.

We duly received your recent letter, together with your cheque for £9.11.0. (£26.75) in settlement of our account.

With regard to the Paradox gun you mentioned in your letter, No.15129, on referring to our records we find this was manufactured in 1893 but unfortunately no cartridges are obtainable for Paradox weapons to-day. The person that it was made for is Mr. Wizain.

We trust that this will be of interest to you.

We are, Sir,
Your obedient servants,
for HOLLAND & HOLLAND LTD.

A large, stylized handwritten signature in dark ink, written over the typed name of the company.
