This letter will serve as a true statement concerning the Astra 32 automatic pistol, serial number 1050081.

In 1977, while serving as Minister of Finance for the Country of Nicaragua, I was in attendance when the President of the Astra Arms Manufacturing Company of Spain presented to Anastasio Somoza, President of Nicaragua a gold inlaid 32 automatic pistol, serial number 1050081. President Somoza carried this pistol on many occasions as his personal weapon.

In 1979, due to the impending collapse of the Nicaraguan Government, President Somoza presented to me memorabilia of his regime including his Astra automatic pistol. Soon after President Somoza was assassinated and I and my family migrated to the United States of America.
