To Whom It May Concern,

I have carefully examined the following firearm owned by Andrew Allman.

Based on my years of experience buying, selling, collecting and writing about wartime German rifles, pistols, optics, and accessories- in the current collectible auction market, the following authentic items would probably realize:

**All correct, matching German World War II era production Walther Heerespistole (HP), serial number 12588, in beautiful 99% original condition:**

**\$ 5,500.00 - \$ 6,500.00**

These and like items are discussed in greater depth in my book, *Mauser Pistolen*. My appraisal is based on my years of professional experience buying, selling, collecting and writing about wartime small arms, accessories and accoutrements. Please feel free to contact me at the below address if you have any further questions or concerns.
