Your recent acquisition of the Colt Single Action Target Model (flat top) Sn. 162899 in caliber 32/20 with blue finish and 7 1/2 in barrel is a fine addition to your Colt SAA collection.

This pistol was shipped in October 1909 but the condition remains above 95%, which is rare for a firearm over 100 years old.

Colts is in this condition and the rare caliber makes this a very valuable pistol. Based on recent sale and current "blue book" values it appraises at \$38,500.

With recent auction prices raising at staggering rates it would be prudent to update your Colt collection values.
