This letter is in reference to your request for historical documentation on Colt .38 Super Automatic Pistol, serial number 3888.

We regret to advise you that we are unable to locate any shipping information on this particular firearm. Although the individual shipping record on it was evidently lost or destroyed many years ago, the production records indicate that it was manufactured on August 21, 1929.

Although we did spend time in this research effort, we have decided to waive any charges for this request.

Thank you for contacting us and we regret that we could not be of assistance to you in this instance.

Sincerely,

Steve Elazier
