Dear Kelly,

I have looked through our records here in New York and also contacted the guys in London. Both gunrooms do not have anything on the serial numbers 37215 , 28858, 27114 in regards to selling them to you father. We can confirm that he did order and purchase the following new gun from the New York gunroom...

A 12 gauge Holland & Holland Sporting deluxe over & under serial number 50715. Fitted with 29 inch barrels & interchangeable chokes. Stocked with deluxe grade wood in a semi pistol grip shape. The gun was delivered in 1997 with a cost of 23,800 GB Pounds.

The London gunroom have confirmed that there is a Browning 12 gauge over & under serial number 56706 in storage under your fathers name.

Regards

Guy
