

ANGELO BEE

Hand Engraving

COPY

April 26, 2005

Dear Len,

I received the photo of your Model 21 (20 gage), and it was enough for me to determine that I did not engrave this gun. However, I know who did. The engraver is Gino Cargnel, and prior to his passing (2 years ago last Christmas) he lived in Simi Valley.

If you have any other questions, do not hesitate to contact me.

Sincerely,

Angelo Bee
