DEAR [REDACTED]

2/1/06

M 21-12GA S.N 1761 WAS COMPLETELY
RE DONE BY THE FACTORY FOR ME.
INCLUDING ALL MECHANICAL WORK
SINCE I HAD NICK KUSMIT ENGRAVE
IT WITH A 21-4 PATTERN AT A LATER
DATE I HAD TO HAVE THE RECEIVER
BLUED. AFTER ANY GUN IS ENGRAVED
THE GUN MUST BE REBLUED. ALL WAS
DONE BY THE FACTORY FOR ME.

Dear [REDACTED]

In regard to M21, S.N.1761, I engraved it with a 21-#4 pattern as you requested. Since the Model 21 was factory refinished, you will only have to "Blue" the receiver.

Looking forward to seeing you on your next trip to Connecticut.

Yours truly,

Nick Kusmit
