Thank you for choosing Giacomo Sporting to service your firearm. Due to the fact that gun cleaners and solvents have become more aggressive, we can no longer warranty the longevity of the finish applied to your gun for a period of more than 3 months. It is imperative that the customer take the necessary precautions to maintain the finished product. Giacomo Sporting strongly recommends that you keep the firearm cleaned and lubricated with Slip 2000. Please store your gun with some type of a rust inhibitor. We continue to stand behind our services. If for any reason you are not satisfied please contact us and we will immediately solve any issues. ALL SALES ARE FINAL. Thank you for your business, it is most truly valued.	00		0.00	0.00
